

The Authentic Spices For The Authentic Taste

About Us

Trade World Import And Export

Trade World Import And Export is one of the top leading exporter company founded by Mr. Sachin Naik in Vashi, Navi Mumbai, India. We are deal in jackets, garments, masala spices, safety products, beauty products, leather products and imitation jewellery.

Our business has been inspired by the government initiative and vision towards 'helping the import-export sector' to reach new heights of success and appreciation. While innovation forms the essence of every creation at Trade World Import And Export, we ensure that we don't compromise on quality.

Our Mission

Our mission is to reach our all the quality product to more and more valuable customers so they can take an advantage of our quality products and its affordable prices.

Our Vision

To be Globally recognized import export company that put quality, service, and value as priority to satisfy the needs of our customers, employees and stakeholders.
